for the benefit of the houses in that locality – It was complained by the Managers of Ramakalayam, and I found it necessary to afford them an opportunity – I believe the Health Officer is agreed to any building being constructed thereon – Under all these circs I would withhold sanction & direct that the Tank bed be left untouched & that the Cutcherysquare be kept open & unoccupied –

With so many suitable house sites obtainable I can't see why this tank bed site forming part of a nice public Square is to be allowed to be built upon

Date 30th June 1913.

To

The President,

Mysore Municipality,

Sir,

We, the President and members of the Mysore Theosophical Society beg to express our profound and grateful acknowledgment to the Govt. of H.H. the Maharaja of Mysore for having allowed us the use of two rooms in the first floor of the Lansdowne Bazaars and beg to state that since 1895, the year in which these rooms came to our possession the work of the Society has grown and we are pressed for more space and have accordingly resolved to erect a building suited to our growing wants. For this purpose it seems to us that the site to the east of Subraymakers and the north of the large banyan tree will suit well. Considering the unsectarian character and usefulness of the work we are doing, we beg the Municipality will grant us the same free. We undertake to devote it solely for the work of the Society and bind ourselves to such conditions with regard to construction as the Municipality may lay down. Further, it is our earnest desire to have the foundation stone laid by Mr.B.P.Wadia who is here on a lecturing tour before he leaves this on Wednesday. We shall therefore be profoundly —

5

profoundly grateful should orders be passed before that.

We beg to remain, sir,

Your most obedient servants,

society, subject to certain conditions as to the construction and use of the buildings.

Orders thereon

The site in question forms part of the bed of Subrayan Kalle reclaimed at Govt expense. The tank has been filled with drainage on sanitary grounds for the benefit of the houses in that locality. It was thought fair by the Managers of Educational Institutions and the Revenue Board if necessary for the Municipality to retain from selling for it. It is believed the Health Officer is opposed to any buildings being constructed thereon. In the circumstances, Govt regret they are unable to sanction the grant of the land asked for by the applicants.

Govt are of opinion that as sanitary & open ground it is desirable that no buildings should be allowed to be erected on the land and that the land should be kept & maintained as an Ambur Square kept open & unoccupied.
